OFFICIAL
ARMY REGISTER

FOR

JANUARY, 1870.

PUBLISHED BY ORDER OF THE SECRETARY OF WAR, IN COMPLIANCE
WITH THE RESOLUTION OF THE SENATE OF DECEMBER 13, 1815,
AND RESOLUTIONS OF THE HOUSE OF REPRESENTATIVES DATED FEBRUARY 1,
1830, AND AUGUST 30, 1842.

ADJUTANT GENERAL'S OFFICE,
Washington, January 1, 1870.

MEMORANDA.

In the column "Brevet and volunteer rank," officers are credited with the highest rank, lineal and brevet, held by them in the volunteer service.

This mark [†] denotes a voluntary *transfer*, which is the cause of the anomalous position of the officer in his *regiment* or *corps*.

In the column "Appointed from," the initials "M. A." denote that the officer is a graduate of the Military Academy.

Errors or omissions, if any, as to names, dates of commission, dates of first appointment, State where born, or from which appointed, will be immediately reported to the Adjutant General by the officers concerned.

The letters following the names of battles in the roster of cavalry and artillery regiments, indicate the companies engaged; where no letters appear, the whole regiment was engaged.

The consolidation of the infantry regiments makes it inexpedient to announce the *companies* engaged.* In some battles the whole regiment took part; in others, but a portion of the regiment.

Acting Assistant Commissary		20 00							11 00	10 70	Mar. 2, 1867, Sec. 1.

* Less one ration.—(See Note 4.)

NOTES.—1. Double rations are allowed by law to the General-in-Chief Commanding the Army of the United States, to each general officer commanding in chief a separate army actually in the field, to each general officer commanding a geographical division embracing one or more geographical departments, and to each officer commanding a military geographical department. [*Act August 23, 1842, Sec. 6.*] In the above table the rations of the General and Lieutenant General are doubled.

2. Every commissioned officer of the United States Army including retired officers, is entitled to one additional ration per day for every five years' service. [*Act March 2, 1857, Sec. 6.*]

3. The rations of surgeon and assistant surgeon are doubled after ten years' continuous service in the same grade. [*Act June 30, 1834, Sec. 3.*] This is in addition to the longevity rations to which they would otherwise be entitled.

NOTE.—4. Subaltern officers, employed on the *General Staff*, and receiving increased pay therefor, are not entitled to the additional or fourth ration provided by the *Act of March 2, 1857, Sec. 2*.

5. Officers retired from active service are entitled to the pay proper of the highest staff or regimental rank held at time of retirement and four rations per day. [*Act July 3, 1864, Sec. 16.*] Officers retired from active service for disability from wounds received in battle, upon the full rank of the command they held at the time such wounds were received. [*Act July 17, 1862.*]

6. Two dollars additional pay per month is allowed to each "Company officer" in actual command of a company. [*Act March 2, 1827, Sec. 2; June 15, 1864, Sec. 1.*]

NOTES.—7. If a fixed salary has been given by law to any military employe of the government while in active duty, and a defined military rank, either actual or assumed, has also been conferred upon him by law, his rank and not his salary will control his pay on retirement. [*Decision of the Second Comptroller of the Treasury, October 15, 1867.*] This decision is applicable to all chaplains of the army, holding the military rank of captain or major, under the provisions of section 7, act of March 2, 1867, when retired from active service.

8. The forage allowances to mounted officers for their horses are regulated by law to be drawn out of the quartermaster's department, but whenever contained, because the quartermaster is unable to furnish in kind, the commutation value for each horse actually kept in use and allowed by law is eight dollars per month. [*Act April 24, 1816, Sec. 12; July 17, 1862, Sec. 1.*]
